Last season's appearance by the internationally renowned Silver-Garburg Piano Duo was sensational, prompting a return visit with a new emphasis. In this concert the Israeli duo will perform selections for piano four hands, including Mendelssohn's radiant music for *A Midsummer Night's Dream* and Stravinsky's tragicomic ballet *Petrushka*. Sivan Silver and Gil Garburg have a near-miraculous unanimity of interpretation and technique. You won't want to miss the opportunity to hear them on one of their rare visits to this country.
