ABOUT AMADEUS CONCERTS

The Amadeus Concerts, Inc. is a nonprofit music foundation dedicated to enhancing the enjoyment, understanding, and accessibility of fine music. Amadeus features professional musicians performing high-quality programs of solo, ensemble, and orchestral works to audiences in Northern Virginia.

Of particular note are our educational programs. Amadeus Side-by-Side Concerts have brought professional musicians in to local elementary, middle and high schools to work directly with student musicians. Our music appreciation lecture series has visited many senior centers and libraries. All Amadeus presentations are free-of-charge to youth, and we provide ongoing developmental support to young artists at the thresholds of their careers.
